BALLERUP

Meetings in an informal environment

World Trade Center Ballerup is an international business center, where more than 100 companies operate daily in an informal and relaxed environment.

The meeting and conference facilities are located on the ground floor and level -1 respectively and include 22 meeting rooms and a conference hall with room for 230 participants. So, whether you

need a smaller room for a board meeting or a larger hall for a conference, we've got it covered. Additionally, we offer a spacious lounge area that can be used for exhibitions and sales fairs. Our reception welcomes your guests with a smile, and the kitchen ensures healthy catering to keep energy levels high - even in the late afternoon.

Coffee meeting for 2 or a full-day conference for 110 people?

We offer various meeting packages that cater to most needs. If you don't find a package that suits you, please contact us to discuss your plans - we'll find a solution.

- **Full-day meeting** from 8 am to 5 pm
- **Half-day meeting** from 8 am to 1 pm / 12 pm to 5 pm
- **Morning meeting** from 8 am to 10 am
- **Coffee meeting** for 2 or 4 hours between 10 am and 5 pm

Enhance your meeting with an activity

WTC Healthcare Center, also located in the building, houses over 20 professional clinics, practitioners, and therapists offering everything from yoga to stress management lectures. Additionally, there is a large modern fitness center with professional instructors and trainers. You have the opportunity to host a unique meeting where you can supplement your agenda with an activity.

WTC Ballerup + sustainability

WTC Ballerup is a participant in the UN Global Compact, the world’s largest initiative for corporate responsibility.

Established in 2000 by then-UN Secretary-General Kofi Annan, the Global Compact aims to mobilize businesses worldwide into a global movement for sustainable development.

We commit to integrating principles, including environmental considerations, into our strategy and operations, contributing to the achievement of the 17 Sustainable Development Goals.

At WTC Ballerup, our specific focus lies on Goal 7 ‘Affordable and Clean Energy’ and Goal 12 ‘Responsible Consumption and Production.’

- ✓ The conference center holds a Green Key certificat
- ✓ Solar panels
- ✓ The reamining power is certified green power
- ✓ Waste sorting
- ✓ Continuously growing number of charging stations
- ✓ LED lighting
- ✓ Reduce food waste
- ✓ Biodiversity

Green Key certification for the Conference Center

The Conference Center holds the prestigious Green Key certification, the highest recognition in sustainability for restaurants, conference centers, and touristattractions.

Solar panel installation

As part of the aforementioned initiatives, a larger solar panel system was installed on the roof of the building with the conference center in Febru-ary 2022. The 547 panels have a capacity of 200 KWP, expected to cover a significant portion of the building’s energy consumption.

Certified green power

The remaining power in the facility comes from certified environmentally friendly energy provid-ed by Norsk Elkraft.

LED lighting

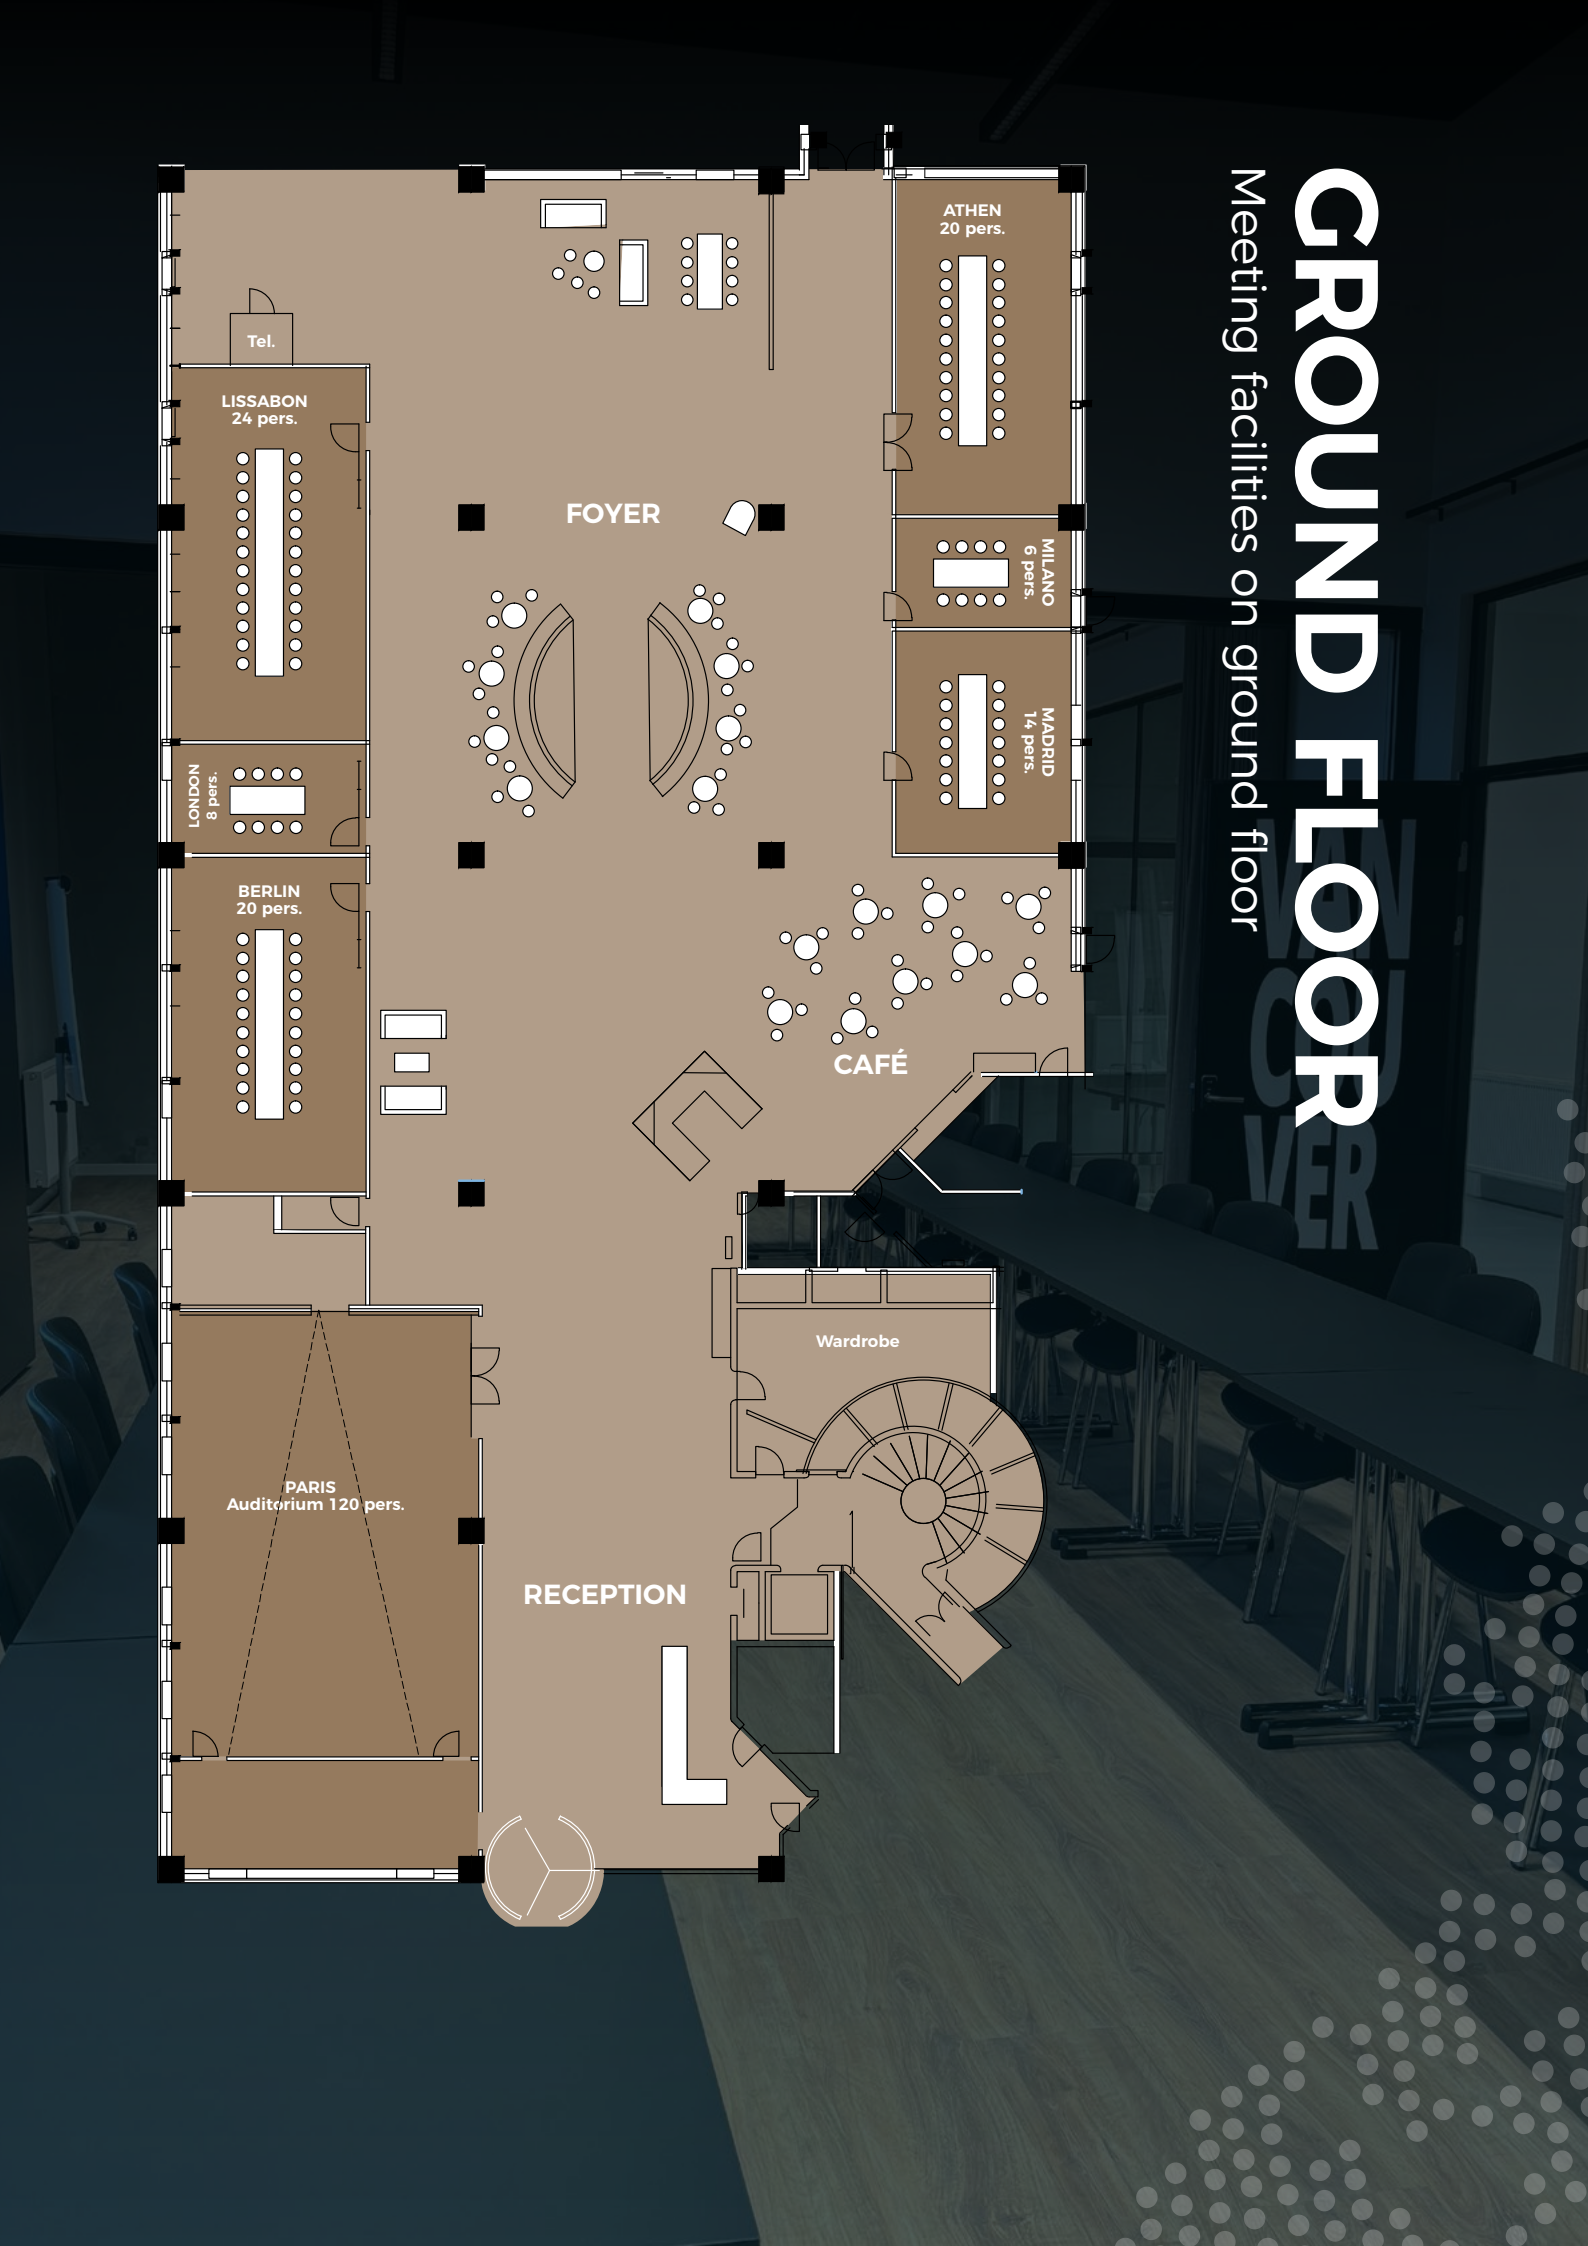

WTC Ballerup utilizes LED lighting both indoors and outdoors, contributing to low energy con-sumption.

Waste sorting

All units in the building participate in waste sorting across 8 fractions. Multiple waste bins are placed on each floor for this purpose.

Charging stations

With the increasing adoption of electric and hybrid vehicles, there is a growing demand for charging stations. Currently, 4 charging stations are available, with an additional 20 in the parking garage, ensuring more individuals can charge their vehicles while at work.

Central location

WTC Ballerup Conference Center is situated in one of Denmark's largest business areas with excellent infrastructure. There's plenty of space and fresh air, and being located 15 km from the center of Copenhagen, you can avoid the worst traffic and congestion. Parking is available right outside the door, and it's free. If your participants are arriving by plane, it's only a 25-minute drive from Copenhagen Airport.

May we arrange your next meeting?
